

Sing a Song of Snowflakes

.....

Sing a song of snowflakes,
White and soft and cool;
Four and twenty children
Running home from school.
Hear their laughter ringing
As they shout and play;
What jolly fun they're having
On this snowy winter day!

Sing a song of snowflakes,
Rosy cheeks and chins;
With the snowballs flying,
Playful war begins.
See them dodge and duck as
They quickly run away;
What jolly fun they're having
On this snowy winter day!
